	LIGHT DUTY - TOWING
	HEAVY DUTY - TOWING

Truck 63 is the faculty truck and can only be reserved in advance by a faculty member for his/her self and not for general lab use. If truck 63 is not reserved by a faculty member anyone can use it on a daily basis.

NOTE Do not get into any vehicle while wearing a wet bathing suit or wet suit. This causes the springs to rust and break and ruins the seat.
