Chartfield String:

Description - If funded by a grant, please provide a description of the work to be performed and why it is related to the grant's purpose.

Form continued on reverse side

The Department of Marine Sciences is pleased to offer you a Research Assistantship. Work expectations and obligations should be discussed and documented in consultation with your advisor.

You will be paid in monthly payments. Dates of employment are as follows (unless specified otherwise):

Fall: August 17 - December 31

Spring: January 1 - May 15

Summer: May 16 - August 16

Please note that your appointment will be contingent upon your enrollment as a graduate student while serving as a Research Assistant and satisfactory progress toward your degree. You must remain enrolled full-time for the duration of your appointment in order to be eligible for health insurance and tuition.

Notes/Comments:

By signing, I accept this research assistantship:
